**TOUR BIBLE 2010**

**OUTGOING**.CO.UK

# ASSEMBLE! SCHNEL! SCHNEL!

**If you are reading this, then you are one of the lucky 500 who managed to secure a place on this year's grand tour to Austria.**

As you may have heard, sold out within 1 minute, 47 seconds (cough). This week will bring you both pleasure and painful embarrassment, that you never thought possible! However, do not fear WarwickSnow will be there to hold your hand and your hair back. You will feel as safe and secure as if you were in Fritzl's basement. Now sit back and have a read of this, your glorious tour bible for Xmas tour 2010! This little booklet holds all you need to know for the week ahead!

# WELCOME TO MAYRHOFEN!

**We love this town and we're sure you will too! Outgoing host Snowbombing here and many student trips every year.**

For this reason we ask you to show your respect for both the environment & to the property you are staying in – many of these are lived in by the owners and their children and are homes for them.

On the mountain we support the 'leave no trace' ethic espoused by Tibetan Buddhists and the World's best riders. Put very simply it means leaving a place the same as it was before you came: no litter, cigarette butts or mess. Please use the bins provided on the high street. When on the mountain, be aware that a discarded cigarette butt or chewing gum thrown from a chairlift will not breakdown when the snow melts and could be swallowed by grazing cattle and choke them.

On a lighter note... we hope you have an amazing time! Here are some useful numbers and bits of info for you.

**Accom & Keys:** You will generally be provided with 1 key per room when you check in. This is very normal and no further keys will be available. **DO NOT LOSE YOUR KEYS!** To replace means changing the lock which could cost €200!

## **AUSTRIA TWINS - "IT SEEMS LIKE THERE AREN'T ENOUGH BEDS"**

This is one of the MOST common questions we are asked on check-in day!! All rooms that are supplied in Austrian hotels and apartments have Austrian twin beds. These are beds that have two mattresses with two duvets on a double base which cannot be split. When you first look at them they appear to be double beds...

**Rental Equipment advice:** Pre-purchased equipment can be picked up from the rental shop. Your name will be down on a list, please state your name to the rep and then you will get sorted. Remember to return your equipment after you have finished! The hire shop may require a swipe of your credit card as a security deposit. If you don't have one, you may need to leave your passport instead. If you have any issues with your equipment then please ask the shop to exchange or service your equipment.

# THE WEEK...

## SATURDAY

### **Wilkommen & Wunderbra to Mayrhofen and the Warwick Snow 'Ooh Ja!' Tour 2010!**

You will arrive outside the Hotel Strass which will be the meeting point and main 'hub' for your wintry exploits this week. From here you will collect your lift passes, room keys, meal vouchers and data cards and then toddle off to your accommodation wherever that may be. Then, for those who have got hire you can head to Wegscheider for Ski hire. For the less crotch-hugging attire wearing 'gnarly dude!' boarders amongst you; head to MoreBoards to pick up your hire.

### **8.30pm**

Welcome meeting in the Arena Nightclub, next door to the Strass Sports Bar. Come down for a brief meeting to introduce you to the resort, your lovely reps and what's going on and where to find it. Please make sure you are here promptly at 8.30pm as you may miss important information!

### **Evening:**

Make your mark on Mayrhofen by busting out some moves down in the Arena to the mesmeric beats of our very own Gaz Morris and then, all the way from Innsbruck: DJ Daniel Plattner.

## SUNDAY

### **Ahhh... the day of rest. But not for you lot!**

Dust off those one pieces, shake away that hangover and heat up those ski boots for your first day on the slopes.

### **Ride with Reps:**

Meet the reps at the top of the Penken lift from 1pm to go for a bit of a ski with those who know the resort best. Hannah Tucker will be leading the way... she did work for the ski school after all!

### **Evening:**

We like to call this 'resort bar orientation' but we're sure you get the grasp of what we mean... This is where we explore the delights of the fine establishments in the town. The theme of the night is Rubik's Cube so dress accordingly... You will start the night at different checkpoints and complete the circuit of bars:

- Strass Bar and Grill
- Mo's
- Funky's
- The Rockstar Palace
- And finally end up in the Arena to be greeted by DJ Stocky who will keep you bouncing til the early hours. That is... if the Schnapps hasn't got you yet!
- Fancy Dress: Rubik's Cube

# MONDAY

**Day:** Ski

**Evening:** Back Country Party Night 1

Meet outside Hotel Strass / Ice Bar to board buses at 6pm. Make sure you have your Voucher/ or Data card with you as you will not be allowed to board without them  
Ensure you wear appropriate clothing and footwear (bring hats, gloves, strong walking boots {no heels!}  
- snowboard boots are ideal)  
Coaches MUST leave at 6pm in order to catch the tunnel opening slot. Don't Be Late!  
Back in resort for 23:00

**\*N.B.** The coach WILL depart at 7pm as the tunnel is one way and the coach is booked in for that time only.

# TUESDAY

**Day:** The Valley Rally...

Hold on to your knickers chaps, this one's exciting. Or don't hold on if you like. This is the day when the Warwick Snow army assemble on the piste and battle their way through 5 checkpoints set on the mountain to gain points for the tasks set. Judged by the reps at each checkpoint, you won't know what we have in store until you get there so... BE PREPARED!!

**Evening:** Back Country Party Night 2

**\*See Monday:** Meet at the Strass at 6pm. Don't be late!

# WEDNESDAY

**Day:** King Of The Mountain 12.30pm

This is it...The Big one... It's fairly simple; everyone stands in a line at the top of the lift 10 metres away from their skis/boards and poles. We shout 'Go', you have to run forward, slam on your gear and get to the bottom of the piste the first. If you're competitive, it's not for the faint hearted, if you want a bit of fun and race your mates... it's awesome. Sign up closes at 10am at the Strass Reception on Tuesday.

**Race Day 1.30pm:**

It starts at 1.30pm sharp, so be there or be late! Teams of 5 (must include at least 1 girly racer) will meet at the top of the Penken lift and head to the race piste. Here they will battle it out to earn the title of 'Best Posse on the Piste'. Sign up closes Tuesday at the Strass Reception.

**Evening:**

After a long, hard day of racing there's nothing better than relaxing... WITH A 2€ Party!  
Meet at the Rockstar Palace below Funky's for some cheap drinks and some banging beats... shake off that missed gate with a jagerbomb or two and be safe in the knowledge that you were 'the faster racer' and were just 'unlucky'. Fancy Dress: Pirates -VS- Ninjas

# THURSDAY

**Day:** Ski

**Evening:** Closing Party with SubFocus and MC I.D.

**This is it...** Your final night in resort. And we have laid on the finest talent just for you. Show the Arena what you are made of and take those amazing memories of the Tour home with you with the soundtrack from this night.

Fancy Dress: " You wouldn't start a night like this"

# SUNDAY

**Day:** Leave ALL LUGGAGE in The Arena apart from your things for the day. Ski or go take in the sights and shops of Mayrhofen

**4pm:** Arrive at The Arena to pick up luggage ready to leave the resort

**Meet Outside The Strass**

**Depart resort 5pm**

# ARTIST BIOS

## **Daniel Plattner**

Bobbing across from Innsbruck... he can't resist a party!

Daniel played at Snowbombing last year and threw down a massive minimal electro and house set that worked everyone up into a dancefloor destroying frenzy.

## **Gaz Morris**

Flown in directly from Barcelona, just to play at the WarwickSnow trip... and to rep. Gaz used to be the IT whizz for Outgoing but decided the sunny climate suited him better than a wet and rainy Manchester. Fair enough really! When he's not tearing up the mountain you'll see him playing some of the finest drum n' bass this side of the patatas bravas

## **Audio Criminals**

Charlie Hargrave and Ciaran Perucca. WarwickSnow's beat freak elite. Fresh from reducing a 1800 person crowd to a sweaty uncontrollable frenzy at BUDS 2010 they are here to lay down some tracks that will have you tearing at the crowd control barriers.

## **SubFocus & MC I.D**

A stalwart of Andy C's Ram Records label and the most prolific DNB producer of the last 12 months, SUB FOCUS is coming to Mayrhofen exclusive for this week for the Warwick Snow 'Ooh-Ja!' Tour. Having released chart ripping tunes Rock it & Could this be real, he's been gaining further notoriety for his remixes of The Prodigy, Deadmau5, Empire of the Sun and Dizzee Rascal.

What a way to end the Week.

# YOUR EXEC'S

## NICK HARPUR

**Position:** President  
**Experience:** 5 tours, 2 BUDS  
**Subject:** Engineering – top gear.  
**Instrument:** Skis.  
**Tache Type:** Stalin...our very own snowy dictator  
**Nickname:** Number 3, Big man H-dawg, Number 1

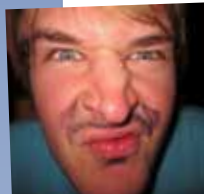

**BIO:**  
Nick is one of our most talented skiers, and drinkers. He has the ability to stand no matter how drunk he may be! A huge shark with an intriguing conversion rate...He also has the ability to perform a cost analysis, deciding that staying in a fresher's bed and bussing it home the next morning was definitely cheaper than getting a taxi back home. He impressively walked 4 miles across Edinburgh with the vice pres of Exeter in another pathetic attempt to get his willy wet. He is also the most accident prone of WarwickSnow warriors, with a now bionic finger (it's amazing how he gets to 2nd base), and dislocating his shoulder on an inspection trip to Austria.

**ASK ABOUT:**  
His finger  
Deep pow  
His prophets

**DON'T ASK ABOUT:**  
How much better Cosmo is at being race captain than he was  
A certain pair of race skis....

## ROSS (LOVES) HISCOCK

**Position:** Vice President  
**Experience:** 4 tours, 4 BUDS  
**Subject:** Something to do with business  
**Instrument:** Board  
**Tache Type:** Mutton Chops, because he'd look fucking ridiculous with a moustache  
**Nickname:** Whosecock, Ron, Fat Tom

**BIO:**  
You all singing, all dancing, vice pres. Ross is a veteran tourer, this man is the last of the old guard. Last year in Val T he managed to pass out by about 4 everyday, which has probably helped him along the road to becoming another chronic sufferer of WarwickSnow's floppy cock syndrome. If you're ever wondering about people's sex techniques, just approach him and he'll go into the deepest, darkest explanation about how "she got up, turned around, squatted..." We'll let you fill in the rest. How the hell he is still alive and kicking after all these years with WarwickSnow we will never know!

**ASK ABOUT:**  
Anything German  
Anchorman

**DON'T ASK ABOUT:**  
His Moobs

# COSMO MARCH

**Position:** Ski Captain  
**Experience:** 2 tours, 2 BUDS  
**Subject:** PPE – it really turns him on  
**Instrument:** Really gay race skis  
**Tache Type:** Bum fluff.  
**Nicknames:** None cos his name's a joke.

## BIO:

This year's ski captain has pushed the ski team to a new level of awesomeness, trying to turn us into his idols, luffrba \$no. He achieved the unthinkable this term, for the first time this pathetic excuse for a German managed to down a pint (albeit of eliminator). He also has the incredible ability to be sucked into a long term relationship over the course of a single bus journey. After his horrendous claim on Christmas tour that he had never been sick from alcohol, he was helped by his loyal friends, and proceeded to roll around in the snow - balls out - and was the proud recipient of a golden shower.

## ASK ABOUT:

## DON'T ASK ABOUT:

# SOPHIE GOWING

**Subject:** CAS – Comparative Anal Studies  
**Instrument:** Board  
**Tache Type:** A pie can't have a tache.  
**Nicknames:** Pie face, The Cuddler, The Sexless Innkeeper

## BIO:

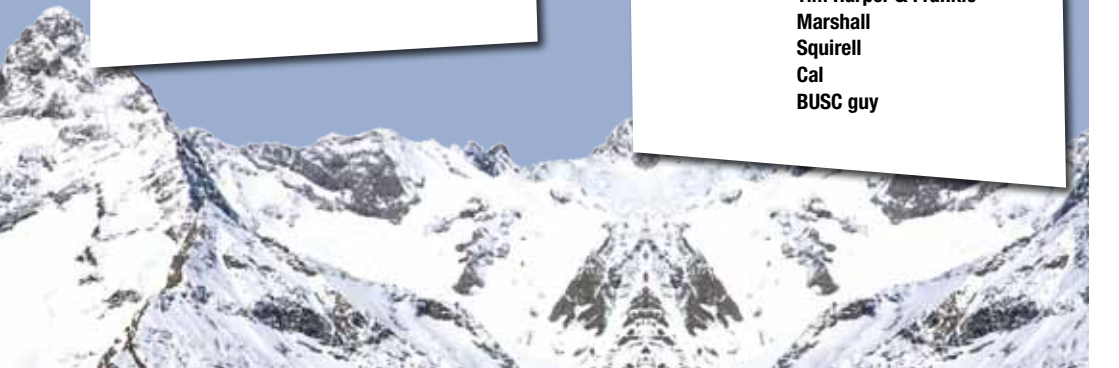

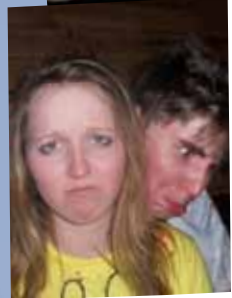

The first lady of WarwickSnow to experience first hand WarwickSnow Floppy Cock Syndrome (WSFCS). This year, Sophie has unleashed her inner shark....But don't fear, this snow lady always keeps her pyjamas on, to the disappointment of many males. She adores a good cupcake, so buy her one and you will be friends for life. She has also fallen prey to accidents, as she pretty much knocked herself out by falling off a table during après in Val T, and by drunkenly losing a chunk of her knee while boarding in Edinburgh. Mess.

**Position:** Training & Freestyle Captain  
**Experience:** 2 tours, 2 BUDS  
**Subject:** Engineering – it's actually a really hard subject  
**Instrument:** Skis  
**Tache Type:** Hobo  
**Nicknames:** Remy the Rat, Fat Bastard, Kevin

## BIO:

The main thing to note about tom is his likeness to a certain cartoon rat...However, once you have got over the shock the reality of him in real life is not much better!

Tom's antics on both tours caused dismay and disgust. The amount this boy can drink scares even your messy social secs. You may be surprised to know that Tom had a 6 pack before Uni, so if you want to see what a year and a half of WarwickSnow will do to you just have a look at this fat bastard. Tom's sexual exploits are some for the history books. From being recorded by Essex Dave as he consummated his love on Xmas tour to receiving a rather teathy blowjob in a bush.

## ASK ABOUT:

**Experience:** 4 tours, 1 BUDS  
**Subject:** Engineering – For the cock  
**Instrument:** Skis  
**Tache Type:** Brazilian  
**Nicknames:** Shizer, Appleshit, Applehead

## BIO:

Appletizer is the WarwickSnow team slut (Alys Cooke is team slut 2). Fancy a bit on tour, well, a 4 day relationship normally gets you all the way with this saucy minx. Under her watchful eye, she managed to lose a box full of a million pounds (ish) destined for our chosen charity. She's a bit of a lad, she owns a toolbox (though it is pink), and will always be bursting to tell you about how sore her vagina is from the previous nights escapades. She is one impressive après-ist which we learnt on Easter tour when she managed to stay through till close every night! And after spend the night with some company, maybe in a bathroom, maybe giving a BJ, maybe to a rep...

**Position:** Media and WEBMASTER!

**Experience:** 4 tours, 1 BUDS

**Subject:** Maths –  $2+2=$  smashed

**Instrument:** Skis

**Tache Type:** Handlebar, topped up with mascara

**Nicknames:** Smash Smith, JohnSmith, Dweebfacenerdypants

## BIO:

Christmas tour last year saw this man fall down the stairs and chunder everyyywhheereeee, but mainly on himself. And this year has pretty much followed a similar level of stupidity. You will often see him about with rather nice camera snapping away unsuspectingly, not that there's any point because he's a douche and doesn't put up the photos for fucking months. He once had some fisticuffs with a mate on tour, and had a naked shower with him to make up, he's nice like that. In Edinburgh this year he managed to miss most of the in City nightclub because he was so shitfaced, but its fine because he's not in the ski team so didn't have to race the next day, bloody waste of space.

## ASK ABOUT:

# ALI CAMPBELL

**Position:** Merchandise

**Experience:** 2 tours, 2 BUDS

**Subject:** History and Politics – less of a big deal than she makes out

**Instrument:** (kids) Skis

**Tache Type:** Hitler

**Nicknames:** Buzz, Hitler, Adolf

## BIO:

Ali is the reason that all of us have looked amazing this year, and have more WarwickSnow shit than you know what to do with. She however nearly impaled Vicki when disassembling a large pole, but Marshall's hefty mass got in the way and saved the day. The race jackets this year look bloody awesome, apart from they are the wrong colour, shape and style, but that's cool. Last year on tour while sporting a rather nazi-esque tache, she was harassed by a German woman in the toilets, ever upholding WarwickSnow's integrity. The fact that she's chatted to outgoing more than our president proves her power hungry attitude! And Ali driving all the way down to Bristol to pick up flyers a day before the event does not make you a WarwickSnow warrior...A WarwickSnow warrior WOULD HAVE RAN!

## ASK ABOUT:

## KIERAN HALE

**Experience:** 2 tours, 2 BUDS  
**Subject:** Money  
**Instrument:** Board  
**Tache Type:** He's never actually shaved  
**Nicknames:** Big Kieran, On The Club, KierON

### BIO:

Big Kieran is the cuddly treasurer who looks after the clubs funds! However do not be fooled by this yorkshireman's big grin and kind manner he is as debaucherous as all of us. On his anniversary with his girlfriend this year, he nipped down the pub for a few pints with his mates; he got smashed, went to shades (classy) and only then, at 3am, did he think it worth seeing his girlfriend. This same night, he awoke and walked over to his girlfriend's knicker drawer, and used it as a toilet (again classy). His skills are envied by many, as on both tours he managed to only spend the grand total of 70 pounds, yet maintain a constant level of hoon.

**ASK ABOUT:**

**Subject:** CAS - Completely Awesome Socials  
**Instrument:** Skis  
**Tache Type:** Slim Lezza...  
**Nicknames:** Roy, Butch, Vickiroy

### BIO:

Vicki is one of your lovely social secs! She is here to ensure maximum consumption. Do not think that this girl only dishes it out, she has proven her worth to snow over the last year! She can throw some idiotic shapes on a dance floor, and is the proud inventor of chundersation, which has only been seen once. It was created when Vicki, with verbal diarrhoea, fell off her bunk bed vomiting, then hunched double on the floor chundering whilst trying to keep a conversation. B E A UTIFUL! One of the lads at heart, Vicki is here to make sure you make the biggest twat out of yourself possible and to ensure there is not one moment on sobriety or decency for your whole tour!

## **BIO:**

Sam is a shambolic excuse of a human being. His sexual ventures have lead him in many interesting directions; last year he had to politely decline a finger up his arse, he fornicated in a bush, made a girl actually cry mid-sex, and is famously known for his issue with erectile dysfunction. Yet the heartbreaking fact remains that he has never experienced sober sex, or any sex at all this academic year (correct at time of print) – ladies, if any of you are desperate, pretty sure he will be willing to help you out. You can be assured that Sam will always be found chundering somewhere at the end of a hard night, as he will always see it through to the end. He also loves to gamble, choosing not to fill up the minibus on the way back from surf tour this year when passing a service station...but of course this didn't pay off...

# TOUR BITCHES

## CLARISSA

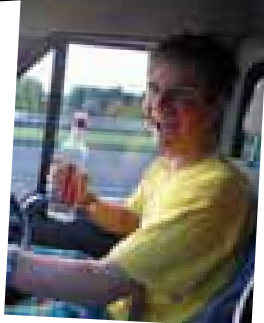

**This big boobed black beauty is a WarwickSnow legend!**

Knocking up a countless number of tours and horrific experiences to go with them, she famously created a name for herself as a fresher, when she was found in compromising spitroast position. Enough said about that really. She loves a good round naked master, so be prepared to see her pointy nips and exquisite breasts.

**Harrison is back from a year in Germany.**

Bringing speed and glory to the race team making us pretty much unbeatable. He has not lost any of his banter...he succeeded on BUDS to go from driver to naked smashed out of his face in roughly ten minutes. With some grim photos of his cock and ball! We'll leave you to guess which is which! If you see him about be sure to savy hello and he'll entertain you! Just don't ask him to do too much...he hasn't got any ambition,

## RICH

**Rich was president last year. A true legend of WarwickSnow.**

Rich was president last year. A true legend of WarwickSnow. He's been here for years, and will probably never leave, but this tour he will be no less mischievous as he will rise up naked and smashed like a skinned budge from the ashes! Watch out for him and his cheesy grin! And his fetish for cock or ball

## JOHN 'TWATFACE' HUREL

**This WarwickSnow legend is here as your bitch.**

So if you need your toilet cleaning, food cooking or balls waxing just give Jon a shout. This man's commitment to snow is second to none. His obedience to rules including claim and bosh is legendary. Resulting in him getting his hair cut during pre-lash...my god did he look good... not really, he looked like a twat. Jon is also the latest sufferer of WSFCS, but bringing morning problems to the affliction....good luck on tour mate!

## HARRISON

**Which one's cock,  
Which ones ball?**

# SWAIN'S TOP TIPS FOR TOUR...

## Ladies & Gentleman, we would like to introduce you to a legend of WarwickSnow!

After deciding one degree was not enough, he came back for another! This will be Swain's 11th tour and he still has another year left. So with all his infinite wisdom from many years of Warwick Snow outlasting any exec, we thurett!

- #1** Wear fancy dress whenever and as often as you can, even if it is socially unacceptable (No Nazis).
- #2** Sleep/shower when you are dead – Former WarwickSnow warriors have gone days without running water or a bed.
- #3** The first run of the day is the No. 1 cure for a hangover. No. 2 is vomiting, often induced by No. 1.
- #4** When vomiting, be sure to release the Vom Dragon for a magical flight! (Ask older members about how to create this mythical winged beast)
- #5** No pants in France. This year it will likely only be for 30km until we reach Belgium, so there is no excuse to wear underwear in France. At all.
- #6** Fuck it, no pants in Belgium either!
- #7** What goes on Tour goes on Facebook.
- #8** Mann dich auf (man up)
- #9** No skiing on tour. I went a whole tour once without even collecting my hire skis. It was awesome.
- #10** Port-to-port baby!

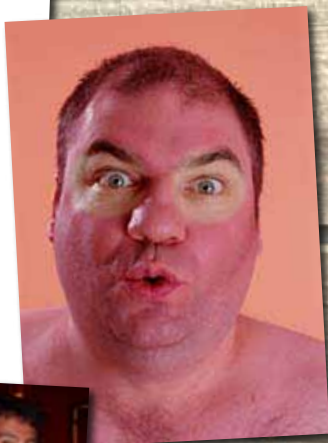

# THE SERIOUS BIT...

## BE PREPARED!

1. Always dress in layers, the temperature on the slope can fall below  $-20^{\circ}$ !
2. Always wear eye protection...White snow + sun= blindness....You could end up sleeping with tom..
3. Always have a hat!
4. Make sure you always take sunscreen out with you! You will burn..even if you don't think you will!
5. Keep a piste map, but never use it.

**Use sunscreen or you could end up getting a nickname such as redface! FOOL!**

**FOLLOW THESE RULES:**

## ON THE SLOPES

1. Never ski alone!
  2. Stick to runs for your ability!
- Green** = Very easy  
**Blue** = Easy  
**Red** = Medium (but hard for beginners!)  
**Black** = Hard

## OFF PISTE DANGERS

Think of yourself as the next Kaj Zackrisson? Want to go hit that cliff or ski that big backcountry line? Well remember...

1. Never go off-piste alone!
2. If you insist...get a guide. They will know where it's safe!
3. Just because there are tracks in the snow, it does NOT mean it's safe to ski! Invest in a transceiver and a shovel.
4. These will be available to hire in resort.
5. Not all insurance policies cover off-piste skiing....If you're not sure, assume it doesn't!

## DANGERS IN RESORT

We're going to have the most epic week ever experienced by anyone! Just remember these points so you don't ruin it!! YOU DICK!

1. Be quiet in the hotel after 10pm. The police will come and rape you.
2. You are not the only people in resort... be respectful moving in between pubs late at night!
3. You've paid a £50 deposit...if you want this back do not fuck your room up!
4. If you mess up communal areas, everyone loses some of their deposit... don't be 'that guy'.

Doors should be left on hinges...  
Otherwise a hefty fine!

## IF THERE IS AN ACCIDENT

1. DO NOT move the injured person.
2. Mark the area with crossed skis.
3. Make a note of where you are and then send the most confident skier to the nearest lift station to ask for help.
4. Keep the injured person warm and calm.
5. All those involved or witness to the accident should remain until help arrives.
6. Call a member of the exec or ski patrol!

## IF YOU DO GET INTO TROUBLE...

Fear not your social secs have been kind enough to give you some useful German phrases:

**ENTSCULDIGUNG SIE BITTE? HABEN SIE VIELLEICHT DER NUMMER EINE SCHÖNES BRODELL IN DER NAHE?**

'Excuse me, do you have the number for an ambulance?'

**SCHAU MAL, ICH HABE GELBE SCHNEEVV GEMACHT!**

'Oh no, the snowpack is unstable here!'

**DEINE MUTTER HAT HAARIGE ARSCHBACKEN!**

'My passport is in my room'

**OH NEIN! WO HAB ICH MEINE SCHNITZELMESSER HINGELEGT?**

'Hello! Can you see my helmet anywhere?'

# THE PANTZ AWARDS

**Pantz awards are an institution of WarwickSnow, the winners forever remembered as the people who keep the name of WarwickSnow strong.**

The stories from previous winners span generations of snow warriors. Every night we will gather in a bar, having gathered the best stories and banter from the day and previous night. If you are not nominated once, you're not doing it right! Previous victors include:

- **Running out of condoms, so just using the same on again!**
- **Shagging someone for 2 minutes....Trying again and doing even worse**
- **Losing their way on the lifts ending up in the next valley and having to fork out 120 euros for a taxi...ripped off.**
- **Deciding you don't want two people to shag so removing the condom off an erect penis.**
- **Being tied naked to a lamppost and being arrested by the Gendarmes**
- **Having sex in the coldest and cheesiest place in the universe, the boot room (lancelot)**
- **Completing centurion before even getting on the bus, then throwing up before Oxford.**
- **Missing the bus to tour, and ending up catching a bus with another uni all the way to France.**

# SONGS

## SING LOUD, SING PROUD...

### THE SLOTTING SONG

**The most important song  
that all snow warriors must  
learn!!**

*Why was he born so beautiful?  
Why was he born at all?  
He's no fucking use to anyone,  
He's no fucking use at all!  
He ought to be publically shat  
on,  
He ought to be fucking well  
shot! (BANG BANG!)  
He ought to be tied to a whore  
house,  
So why's he fucking well not!  
(Is he a bird?)  
"DONT BE ABSURD!"  
(Is he a duck?)  
"IS HE FUCK!"  
(What is he then!?)  
"HE'S SUPERMAN!!"*

**Or alternatively.....**

*We like to drink with \_\_\_\_\_,  
cos \_\_\_\_\_ is our mate, he's  
into fornication, and loves to  
masturbate! Down in one,  
WarwickSnow warrior! Down in  
one, WarwickSnow warrior!*

### DANGER CAN

**Simple yet brilliant...**

*Take a can of lager, shake it  
several times while chanting  
"DANGER CAN, DANGER CAN,  
DANGER CAN", then attempt  
to smash it open on your  
forehead and slot the foamy  
goodness. If you fail, pass it on.*

### LUFBRA RULE

*Lufbra rule, do they fuck,  
All they do is wank and suck,  
With a nick nack paddy whack  
Give your mum a bone,  
All you dickheads fuck off

*Your old man, works for mine,  
He fucked off when you were  
nine,  
With a nick nack paddy whack,  
Give your mum a bone,  
Fuck off to your mobile home.*

### WARRICK, WE'RE THE WANKERS

*Warwick, we're the wankers,  
We're the biggest drunks  
in history, from the town of  
Warwick, we're the leaders in  
debauchery.*

*Half minds, getting poisoned  
through the years, watch us as  
we down a lot of beers.  
Warwick, we're the wankers,  
we're the leaders in  
debaucheryyyy*

### THE RACE TEAM SONG

*We don't ski for fornication,  
We don't ski for victory,  
We just ski for masturbation,  
Warwick wanking men are we,  
Warwick wankers,  
Warwick wankers,  
Warwick wanking men are  
weeee (Men are weeeee)  
Warwick wanking men are we!*

### I USED TO WORK IN CHICAGO

*I used to work in Chicago, the  
old department store,  
I used to work in Chicago,  
I don't work anymore;  
"A woman came into the store  
one day asking for a Barbeque"  
A Barbeque from the store?  
"A Barbeque she wanted, a spit  
roast she got!"  
I don't work any more.*

Fuck she wanted, Fuck she got!*

# CONSUMPTION GAMES

**As you surely know by now, WarwickSnow are mighty fond of their drink, and tour is a great excuse to wreak havoc across the Alps in a constant state of intoxication.**

However, snow warriors rarely reach these dangerous levels of inebriation of their own accord, as they are aided along their way with both mischievous and disturbing ways of getting hooned, devised by devilish snow patriots. Before you lay a small collection of ideas to get you started!!!

## 20+1

WHATEVER HAPPENS, DON'T SAY "21", or kiss goodbye to your beverage. Remember that and you're half way there.

First of all you start in the circle by saying to "to my right/left" and begin counting, around the circle up to 20+1.

Saying ONE number passes it to the next person, saying TWO adjacent numbers reverses the direction, and saying THREE skips a person.

You cannot double a double or triple a triple, "everyone knows that!".

When 20+1 has been reached and a drink been slotted, the victim gets to make up a new rule i.e. for multiples of 2 you say 4, for 10 you have to run around in underwear, basically ANYTHING

## ONE FAT FROG

Go round the circle, stand and say (with hand actions): One, Fat, Frog, Jumped, Into, The, Pond, Splash. Then continue with two people standing up: Two, Fat, Frogs..., then three people etc.

# ROMAN NUMERALS

Round the circle counting using roman numerals, replaced by German Pornstar expressions; I = Ooh Ja, V = Give it to me,

X = Im nearly zer !

i.e. VII would be "give it to me, ooh ja, ooh ja!". Gets tricky when intoxicated...

# SLAPS

Anyone begins this game by shouting, "WHAT'S THE NAME OF THE GAME!", to which the circle respond "SLAPS!", then first person shouts "WHAT ARE WE GONNA DO!", and everyone replies "WE'RE GOING TO HAVE A REALLY NICE TIME" \* ). The beginner then shouts one and indicates the direction by punching with their (opposite!) fist. Continue counting round circle until 10 is reached, then the 11th person can point at anyone of their choosing and shout "WE'RE GOING TO HAVE A REALLY NICE TIME" \* ), this person then finishes their beverage, and anyone can begin the next round. Direction can be changed by anyone, anytime. Do NOT punch direction for number 7, instead one arm is placed in the air above the other in front of your chest, pointing in opposite directions, the top arm then indicates the direction. Any accent/volume the beginner chooses must be copied for the duration of the round, i.e. they whisper, you whisper; they sing in a Scottish accent, you sing in a Scottish accent....you get the idea.

\* See Exec for alternative version

# TOUCH THE CUP

A cup is placed in the middle of the table. Players take it in turn to try and bounce a coin off the table into the cup after nominating another player, if the coin goes in, the nominated player slots. If the coin misses, the coin tosser must add to the cup some of their beverage. If the coin "rims" the cup but doesn't go in, the tosser may have another go, but if they miss they themselves slot.

~ You MUST say "touch the cup" before touching the cup.

~ you MUST NOT put the cup down empty (donate from your own beverage if made to slot it)

~you MUST only pick up the coin from the table, never from another player.

## COMMANDER SAYS

The commander position is taken by fine-looking social sec, and the game begins. It begins with the chant, "Hands up high, hands down low, hands in the middle and away we go!". The rules from that point on are pretty much simple, do what the commander says or be punished with two fingers; i.e. when you hear "commander says: stand up!" – you stand up, or "commander says: slap your face" – you slap your face. If the commander does NOT say "commander says" before an action, and you still do it, then you shall empty your beverage accordingly.

Specials actions: "hands on your heads" – all stand up and shout back "HANDS ON YOUR HEADS"; "Tiger Woods" – you take a golf swing.

Just be prepared to follow any ludicrous orders from the commander in this game!

## WHAT THE FUCK

Everyone gets a "fuck" name, e.g. "sloppy fuck" (groups can be put together and have a group fuck name), then the circle will begin to clap in time. The chant is thrown back and forth across the circle, "Sloppy fuck, what the fuck, how about a lazy fucks". And so it goes on until someone fucks up and consumes.

## FACE YOUR FEAR

Play and you gain respect, but look like a douche.

1. Find a floor, wall or surface (the harder the better).
2. Place hands behind your back and keep them there.
3. Psyche yourself up. A lot.
4. Face your fear and fall or head-butt forward without using your hands to stop yourself screaming "HOORRSSEEE!!!".
5. Cry.
6. Bleed.
7. Call your mum.
8. Man the fuck up and continue co

## FUZZY DUCK

Pass left – "Fuzzy Duck"  
Pass Right – "Ducky Fuzz"  
Change direction – "Does he?"

## BOSH

There is one more thing...

A game, neigh, a way of life, which you MUST learn. The game is BOSH! Upon the 'recipient' accepting a consumable from the 'hander' the game has started...

The 'recipient' must endeavor to announce his consumable safe prior to touching the item... In the case of failure to clear the consumable safe, the 'hander' or any observer can call BOSH...

BOSH signifies that the 'recipient' has accepted an unsafe item... For the 'recipients' own safety this item must be immediately consumed in one...

This game is never ending...

# RESORT GUIDE

This year we are heading to the Austrian resort of Mayrhofen. Here is a quick rundown of the places where you will spend the final pounds of your overdraft, dance through 'till the early hours or showing a nipple for a free shot (not guys):

**The Arena:** Our main nightclub, located underneath the Strass Hotel (where we're staying).

**The Sportsbar:** Connects to the hotel. For some naked après!

**The Ice Bar:** Conveniently located adjacent to the hotel, this is one of the rowdiest Apres bars in Mayrhofen. Points to whoever can tell me why there's a polar bear on the sign!

**The Rockstar Palace:** 2 Euros for anything on Wednesday. Get in! Sick nightclub, a 5 min walk from the hotel.

**Scotland Yard:** Small seasonnaire bar in the style of an English Pub. Perfect for an après pint.
